

# Safety Data Sheet

Revised: June 1, 2015

## 1. Chemical Product and Company Identification

**Product Name:** Sharpline Easy On™

**Product Type and Use:** This product is a mixture formulated for the application of vinyl decals.

**Manufactured for:** Sharpline Converting, Inc.  
P.O. Box 9608, Wichita KS 67277-0608

**Contact:** Telephone: (800) 888-4888 Fax: (316) 613-5652

**Company Identification:** SouthWestern Process Supply Company  
1414 East 3<sup>rd</sup> Street  
Tulsa, OK 74120

**Emergency Telephone:** (918) 582-8211

## 2. Hazards Identification

### Label Elements

#### Hazard Symbol:

**Signal Word:** Warning

#### Product Hazards:

**May cause gastrointestinal irritation if swallowed.**  
**May cause skin irritation with prolonged exposure.**  
**Possible moderate eye irritant.**  
**Carcinogenicity – Not available.**  
**Mutagenicity – Not available.**  
**Teratogenicity – Not available.**

#### Precautionary Statements:

**Prevention:** Wear protective gloves, clothing and eye protection during use.  
**Response:** IF IN EYES: Rinse with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. IF ON SKIN: Wash with plenty of soap and water.  
**Disposal:** Dispose in accordance with federal, state and local regulations.

### 3. Composition Information

This product is a mixture.

<u>Component</u>	<u>CAS No.</u>	<u>Weight Percent</u>
Water	7732-18-5	99.97
Proprietary		<0.03

### 4. First Aid Measures

#### Description of First Aid Measures

**General advice:** First aid responders should wear chemical resistant gloves. If potential for exposure exists, refer to Section 8 for specific personnel protective equipment.

**Inhalation:** Move person to fresh air; if effects occur, consult a physician.

**Skin Contact:** Immediately flush skin with water for at least 15 minutes while removing contaminated clothing. Seek medical attention if symptoms occur or irritation persists. Wash clothing before reuse.

**Eye Contact:** Rinse immediately and continuously with flowing water for at least 15 minutes. Remove contact lenses after the first 5 minutes and continue washing. Obtain prompt medical consultation preferably from an ophthalmologist. Suitable emergency eye wash facility should be immediately available.

**Ingestion:** If swallowed, seek medical attention. Do not induce vomiting unless directed to do so by medical personnel.

#### Most important symptoms and effects, both acute and delayed:

Aside from the information found under Description of First Aid Measures, (above) and indication of immediate medical attention and special treatment needed (below), no additional symptoms and effects are anticipated.

#### Indication of immediate medical attention and special treatment needed:

No specific antidote. Treatment of exposure should be directed at the control of symptoms and clinical condition of the patient.

### 5. Fire Fighting Measures

This is a non-flammable aqueous solution with no known fire and/or explosion hazards.

### 6. Accidental Release Measures

**Personal precautions, protective equipment and emergency procedures:** In the event of a spill, use chemical resistant gloves and eye protection. Spill surfaces may be slippery; avoid slips and falls. For additional information, refer to Section 8, Exposure Controls and Personal Protection.

**Environmental precautions:** Given the minute concentrations of hazardous constituents, minimal impact on environmental media is anticipated. See Section 12, Ecological Information.

**Methods and materials for containment and cleanup:** Contain spilled material, if possible, with kitty litter or bentonite clay. Liquids are not permitted in landfills. Dispose in accordance with federal, state and local regulations.

## 7. Handling and Storage

### Handling

**General Handling:** Avoid contact with eyes, skin and clothing. Wash hands after handling. See Section 8, Exposure Controls and Personal Protection.

**Storage:** Store at temperatures above 32° F to avoid freezing and damage to the container.

## 8. Exposure Controls/Personal Protection

**Engineering Controls:** If user operations generate fume or mist, use local exhaust ventilation.

**Personal Protection:** Safety glasses, gloves.

**Exposure Limits:** Not available.

## 9. Physical and Chemical Properties

**Physical state and appearance:** Clear aqueous solution

**Odor:** None

**Taste:** Not available

**Molecular weight:** Not available

**Specific gravity:** 1.0102

**Flash point:** Not applicable

**Solubility in water:** Complete

**Vapor pressure:** Not applicable

**Boiling point:** Not applicable

**pH:** Not available

## 10. Stability and Reactivity Data

**Stability:** This product is stable.

**Reactivity:** No known dangerous reaction under conditions of normal use.

**Possibility of hazardous reactions:** None known

**Conditions to avoid:** Extreme heat and extreme cold

**Incompatible materials:** None known. Hazardous polymerization will not occur.

**Hazardous decomposition products:** No

## 11. Toxicological Information

**Routes of entry:** Ingestion, Inhalation

**Toxicity to animals:** LD50: Not available. LC50: Not available.

**Chronic effects on humans:** None known

**Other toxic effects on humans:** See Section 2.

## 12. Ecological Information

**Ecotoxicity:** Not available

**BOD5 and COD:** Not available

**Products of biodegradation:** Possible hazardous degradation products are unlikely.

## 13. Disposal Considerations

**Waste disposal:** Liquid wastes are not permitted in landfills. Consult with local officials prior to discharging to sanitary sewer.

## 14. Transport Information

**DOT hazard class:** None

**Special provisions for transport:** Not applicable

## 15. Regulatory Information

**Federal and state regulations:** TSCA 8(b) inventory: Carbomer 934

**HMIS (U.S.A.):**

**Health hazard:** 1

**Fire hazard:** 0

**Reactivity:** 0

## 16. Other Information

None
