# "Don't Shake this off"

Happy National Chocolate Milkshake Day!! This September 12th is a great day for Chocolate and Ice-cream lovers! What a Great Day a Chocolate Milkshake Recipe, and sharing it with a friend or loved one

## Ingredients

- 1/2 cup Imperial Sugar Extra Fine Granulated Sugar
- 1/4 cup Dutch processed cocoa powder
- 1/4 cup water
- 2 1/2 cups vanilla ice cream
- 1/4 to 1/2 cup milk
- Creme Chantilly

### Directions

- 1. Whisk sugar, cocoa powder, and water in a microwave-safe bowl until combined. Microwave for 1 minute, stirring halfway through. Let cool.
- 2. Combine ice cream, chocolate sauce, and milk in a blender. Blend until well-mixed, stoppingto scrape down sides, if needed. Add more milk, if desired, for a thinner shake, or less milk for a thicker shake.
- 3. Pour into tall glasses. Top with creme chantilly and drizzle with extra chocolate sauce, chocolate sprinkles, or top with a maraschino cherry

## Imperial Sugar Insight

- This recipe makes about 2/3 cup chocolate sauce. You can set aside 1-2 tablespoons for drizzling over the milkshakes, if desired, and the milkshake will still be very chocolatey.
- Read more about the differences between Dutch Process cocoa powder and natural cocoa powder here.
