

SHARPLINE MISSION

To be the leader in the field of designing / developing / marketing and manufacturing graphic image products. Through team cooperation and superior service, build a safe, secure, and profitable business for the benefit of all employees and customers.

SHARPLINE QUALITY STATEMENT

Sharpline is committed to continuous quality improvement of product and process through the review of Sharpline goals, preventative actions and corrective actions. Management shall ensure that the importance of meeting customer, as well as regulatory and legal requirements, is effectively communicated to the organization.

Sharpline's New Painting

As you walk the halls of Sharpline Converting, you'll notice the unique and beautiful artwork on display, thanks to Bob Neace and the members of Gallery 12, Wichita's first cooperative gallery. Every six months, Bob brings in new pieces from local artists, providing fresh inspiration for employees and visitors alike. Occasionally, a piece even finds a permanent home in the building.

In 2014, Bob sold his painting "Kawhi" to Jan Dent at his first art show. Though she bought it "for a friend," she ultimately kept it for herself, displaying it proudly in her home until her passing earlier this year. Just before Jan's estate sale, Bob bought the painting back, taking it down from the spot where he had helped her hang it years before. This bittersweet moment led Bob to reflect on the painting's future, and he decided it should go to someone who would cherish it as much as Jan had.

"Kawhi," which represents a strong and quiet leader, captured the brave spirit in its subject's eyes. After careful thought, Bob decided to gift the painting to his friend Jack Snyder, recognizing a similar quiet strength in him. When they met recently to discuss new artwork for Sharpline, Jack was surprised and touched by the special gift.

In the coming weeks, new artwork will be installed throughout the building. We encourage you to stop by, take in the creativity of Wichita's talented artists, and make sure to admire "Kawhi" during your visit.

Origins of Halloween

Halloween is celebrated on October 31 every year. Its roots lie in the ancient Celtic festival of Samhain, which marked the transition from summer to winter and was believed to blur the line between the living and the dead. The Celts celebrated with bonfires, costumes, and sacrifices to their gods.

After the Romans conquered Celtic lands, they combined two of their festivals, Feralia and Pomona, with Samhain, introducing traditions like bobbing for apples. As Christianity spread, All Saints' Day (November 1) and All Souls' Day (November 2) adopted many Samhain elements, blending pagan and Christian rituals.

Halloween reached America in the 19th century with Irish immigrants, eventually evolving into a community-focused celebration with trick-or-treating, costumes, and parties.

By the 20th century, the holiday had shed most of its religious and superstitious associations, becoming a fun, secular event centered on social gatherings and festive traditions.

Here are some tips for Trick-or-treating this Halloween:

1. Dress children in brightly colored or light-colored costumes.
2. Use reflective tape, flashlights, or glow sticks for added visibility.
3. Make sure their costumes and shoes fit properly to prevent trips or falls.
4. Make sure your porch and front yard are clear of any potential tripping hazards.
5. Replace any burned-out bulbs in your outdoor lights.
