## Even If It's Raining, We'll Be Training!

Sharpline Converting hosted a comprehensive training program on paint protection film installation. Led by renowned trainer Alex Valencia, this hands-on workshop provided invaluable insights and practical experience in working with paint protection film, catering to a diverse range of vehicles including the iconic Corvette and state-of-the-art Tesla.

The training program offered a deep dive into the intricacies of paint protection film, equipping participants with the knowledge and skills necessary to achieve flawless installations. From surface preparation to application techniques, attendees gained a comprehensive understanding of the entire installation process. The program underscored the importance of precision and attention to detail, emphasizing the significance of achieving seamless, durable results that enhance the aesthetic appeal and longevity of the vehicle's finish.
